Huntington Bancshares Incorporated, Notice to Engage in Certain Nonbanking Activities

Huntington Bancshares Incorporated, Columbus, Ohio (Applicant), has given notice pursuant to section 4(c)(8) of the Bank Holding Company Act (12 U.S.C. 1843(c)(8)) (BHC Act) and § 225.23 of the Board's Regulation Y (12 CFR 225.23) to engage indirectly through Five Paces Software, Inc., Atlanta, Georgia (FPSI), a wholly owned subsidiary of Security First Network Bank, FSB, Pineville, Kentucky (SFNB), in certain nonbanking activities involving data processing required for the provision by SFNB of electronic banking services over the nonproprietary computer network known as the "Internet." SFNB has received approval from the Office of Thrift Supervision to provide certain electronic banking services to its customers over the Internet, including deposit and bill-paying services.

Applicant proposes to acquire a 4.9 voting common stock interest and an additional preferred stock interest in SFNB, which will acquire FPSI as its wholly owned subsidiary. Applicant proposes, thereby indirectly to market, design, develop, and provide ongoing technical support of data processing software for the electronic transmission of financial, banking, and economic data for financial institutions seeking to provide banking services to their customers over the Internet, pursuant to § 225.25(b)(7) of the Board's Regulation Y. Applicant will also be a software licensee of FPSI and will have a director on FPSI's board of directors. Applicant seeks approval to conduct the proposed data processing activities nationwide.

FPSI will provide data processing and security software to financial institutions seeking to provide banking services to their customers over the Internet. Applicant indicates that this software is designed to enable electronic transmission of banking, financial, and economic data in a secure environment over the Internet. FPSI also will provide financial institutions ongoing technical support related to its software, customization and installation services, and data center operations. Moreover, FPSI expects to develop additional data processing services that will allow customers to provide secure access to

accounts across other channels, such as through modems across public telephone lines.

Section 4(c)(8) of the BHC Act provides that a bank holding company may, with Board approval, engage in any activity "which the Board after due notice and opportunity for hearing has determined (by order or regulation) to be so closely related to banking or managing or controlling banks as to be a proper incident thereto." 12 U.S.C. 1843(c)(8). In publishing the proposal for comment, the Board does not take a position on issues raised by the proposal. Notice of the proposal is published solely in order to seek the views of interested persons on the issues presented by the notice, and does not represent a determination by the Board that the proposal meets or is likely to meet the standards of the BHC Act.

Any comments or requests for hearing should be submitted in writing and received by William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, Washington, D.C. 20551, not later than November 16, 1995. Any request for a hearing on this proposal must, as required by § 262.3(e) of the Board's Rules of Procedure, be accompanied by a statement of the reasons why a written presentation would not suffice in lieu of a hearing, identifying specifically any questions of fact that are in dispute, summarizing the evidence that would be presented at a hearing, and indicating how the party commenting would be aggrieved by approval of the proposal. The notice may be inspected at office of the Board of Governors or the Federal Reserve Bank of Cleveland.

Board of Governors of the Federal Reserve System, October 26, 1995.

Deputy Secretary of the Board.
